**TAHOMA SCHOOL DISTRICT**

The purpose of this agreement is to utilize interlocal cooperation, as authorized by RCW 28A.150.275, RCW 28B.50.533 and WAC 392-121-187, or any new statutory authority that may be created during the period of this agreement, to provide vocational-technical and basic educational programs not otherwise available and to avoid duplication of specialized programs and facilities. These objectives will be achieved by the following described cooperative program:

The general purpose of this cooperative shall be to provide vocational-technical educational programs and services, and such basic education services as are necessary to complete simultaneously the high school diploma. This Scope of Work will be in effect from Spring 2022 and shall automatically renew annually until either party notifies the other in writing of their intent to not renew. Notification shall occur, at minimum, 60 days prior to termination of the agreement.

The college will not bill the resident district for any excess costs incurred in providing vocational-technical or basic education programs and services to high school students of the resident district. The college will directly bill the Office of the Superintendent of Public Instruction pursuant to the provisions of RCW 28A.150.275, and will provide monthly reports to the resident district in accordance with WAC 392-121-187 or any new statutory authority that may be created during the period of this agreement. This agreement does not apply to Running Start enrollments.

The resident district will not bill the college for any costs incurred as a result of the college providing vocational-technical or basic education programs and services to high school students of the resident district.

The resident district retains all responsibility for any special education services needed by resident district students attending Renton Technical College.

Each party to this agreement acknowledges that entering into this interlocal cooperative arrangement may result in financial commitments by other parties to this agreement. Each party further acknowledges that while the agreement is for the term provided herein, program development is continuous and long-range planning is a requisite, and entering into this agreement may carry implications for succeeding school years. Therefore, each party agrees to notify the other by April 15 if the party decides to terminate the agreement in any year prior to its expiration. The parties agree this agreement may be terminated at any time with the consent of the other party.
